The screenshots show the MCA application interface. The top screenshot displays the 'Tableau de bord du niveau de conformité PCI DSS' (PCI DSS compliance dashboard) for a merchant. It shows a compliance score of 85% (11/13) and lists various merchant information like 'Banque: Scotiabank', 'Branch: 602', and 'Groupe: CANADA'. The middle screenshot shows the 'Gestion des utilisateurs' (User management) section with a table of users and their roles. The bottom screenshot shows a 'Conformité PCI-DSS - SAQ A' (SAQ A compliance) form with various questions and checkboxes for merchant information.

Tableau de bord du niveau de conformité PCI DSS

Score du niveau de conformité: 85% (11/13)

Gestion des utilisateurs
